

CW Hood 50

CW HOOD YACHTS

Wrapped inside the classy, salty styling of the C.W. Hood 50 is an incredibly commodious interior and an impressive array of modern systems. With three layout options, including an express version, as well as optional exterior and interior finish packages, the Hood 50 can be custom tailored to suit your own cruising needs.

Twin 720hp Yanmar diesel engines propel the queen of our fleet to over 30 knots, and if twin screws are not enough to satisfy your need for a truly nimble craft, the powerful standard bow thruster provides on-demand assistance when things get tight. For those seeking the utmost in quality and workmanship, performance, safety and value, you need look no further.

Length overall	50'-9"
Maximum beam	17'-1"
Maximum draft	3'-5"
Displacement	44,900 lb
Fuel tank(s)	700 gal
Fresh water tank	300 gal
Holding tank	60 gal
Standard power	(2) Yanmar 720 hp
Cruise speed	28 kt (32 mph)
Maximum speed	32 kt (37 mph)
Range @ cruise	565 nm
Economy @ cruise	0.9 mpg

Standard Equipment

HULL

- Vacuum-bagged, cored construction using bi-axial fiberglass materials for lasting strength
- Structural grid with molded tanks and bilges, polished gelcoat surfaces throughout
- Recessed propeller tunnels for shoal draft
- Molded rubrails and quarterguard rails with polished stainless steel inserts
- Integral swim platform with molded stairways and boarding ladder
- (6) Flush-mounted fixed portlights
- Blister resistant vinyl ester resins
- Selection of ISO gelcoat hull colors
- Selection of ISO gelcoat bootstripe colors
- Selection of Awlstar® bottom paint (two coats)

SYSTEMS

- ☑ (2) Yanmar 720hp electronic marine diesel engines
- ☑ (2) ZF Marine v-drive transmissions with trolling valves
- ☑ Teleflex double-lever throttle/shifter engine controls
- ☑ Hynautic power steering system
- ☑ (2) Teignbridge 4-blade 30"x38" propellers
- ☑ (2) Bennett trim tabs with indicators and auto-retractors
- ☑ Side-Power 11hp electric bow thruster
- ☑ (8) Metalastik® noise/vibration reducing engine mounts
- ☑ Technicon sound insulating foam with aluminum sheathing
- ☑ (2) Custom water lift exhaust mufflers
- ☑ Double-gasketed hatches in area of engine
- ☑ (2) Bronze raw water strainers with scoops
- ☑ Electronic fuel tank selector valves
- ☑ (2) Racor fuel filters
- ☑ Atlantic 20gal stainless steel water heater
- ☑ Marine Air 60,000btu chilled water air conditioning system
- ☑ Monitoring system for all tanks
- ☑ (4) Electric bilge pumps with auto switches
- ☑ High capacity manual bilge pump
- ☑ Clearly labeled Marelon® seacocks with plugs
- ☑ (6) 12V 8D gel cell marine batteries
- ☑ Mastervolt 15kW generator with enclosure
- ☑ (2) 50A shore power inlets with cord
- ☑ Mastervolt 240V 60Hz inverter
- ☑ (2) Mastervolt 24V/12V converters
- ☑ AC/TV/Tel receptacles in each cabin
- ☑ (8) 12V DC power outlets
- ☑ 75A multi-stage battery charger
- ☑ Battery selector switches
- ☑ Mastervolt AC/DC modular switchboard
- ☑ High quality tinned wire throughout
- ☑ High quality marine hoses, double-clamped throughout

OUTFITTING

- ☑ USCG required safety equipment
- ☑ Custom painted name and hail on transom
- ☑ (8) Life jackets
- ☑ (6) Docking fenders with non-abrasive covers
- ☑ (8) Nylon, double braid docking lines
- ☑ Complete tool kit
- ☑ Owners manuals
- ☑ Owner orientation and sea trials

DECK CONTINUED

- ☑ (2) Stainless steel handrails on cabin top
- ☑ Teak eyebrows on cabin sides
- ☑ (4) Dorade vents with teak drainage boxes
- ☑ (12) Stainless steel opening portlights
- ☑ Molded toe rail with teak cap
- ☑ (4) Stainless steel bow cleats, 2 pop-up, 2 fixed
- ☑ (4) Stainless steel stern cleats, 2 pop-up, 2 fixed
- ☑ (8) Stainless steel spring cleats
- ☑ (8) Stainless steel custom chocks
- ☑ (4) Aluminum/Awlgrip louvered engine vents
- ☑ (2) Recessed side deck drains empty overboard at the waterline
- ☑ USCG approved navigation lights
- ☑ Jabsco 600,000cp search light with remote
- ☑ Kahlenberg dual trumpet air horn
- ☑ (3) Electric windshield wipers with washer
- ☑ Scandvik hot/cold transom shower with hose
- ☑ Selection of ISO gelcoat deck colors
- ☑ Country of documentation ensign with teak pole and stainless steel socket with pin
- ☑ CW Hood Yachts burgee with teak pole and stainless steel socket with pin
- ☑ Aft settee with table

INTERIOR

- ☑ Contemporary satin cherry bulkheads and trim, white v-groove hull sheathing and designer style sound dampening overhead on removable panels, teak satin finish sole
- ☑ Fully enclosed pilothouse with helm station and ample seating arrangements
- ☑ Helm station with (4) Teleflex 5" LCD engine monitoring/diagnostics panels
