

# Katama 30

## CW HOOD YACHTS

The Katama 30 offers Downeast good looks in a highly contemporary package. Sweet lines and soft curves are married to high tech composite construction and an incredibly responsive ride. Her standard six-cylinder 370hp Volvo diesel, coupled to a robust Duoprop drive system, offers smooth, swift performance, delivering precise control both at speed and at the docks.

The spacious cabin features over six feet of headroom, a well-equipped galley, enclosed head with shower, hanging locker and forward vee berth suitable for two adults, and abundant storage throughout. The standard cockpit arrangement provides comfortable seating for eight. She is available in both express (ST) and hardtop (HT) configurations, with a number of custom options to guarantee a perfect fit for your yachting needs.
